

# The Lithuanian Academy of Sciences Has Elected Forester Lennart Schotte a Foreign Member

In 1999 the Lithuanian Academy of Sciences has elected Professor Lennart Schotte the new Foreign Member of the Academy.

Professor Lennart Schotte is an eminent scientist and organizer of the production. Professor has published more than 50 scientific works. His range of interest is remarkably wide.

L. Schotte achieved significant results of scientific investigations in the area of the forestry and also technology of the paper and pulp industry. In 1958 – 1988, when he was General Director and later President of the Swedish Association of the Paper and Pulp Industry Companies, the role of the Associa-

tion was dominating not only in Europe but also all over the world.

Lennart Schotte has been Member of the Royal Swedish Academy of Engineering since 1974 and of the Royal Swedish Academy of Agriculture and Forestry since 1982. His activity is appreciable in the Tree Committee of the European Economical Society, at the International Institute of Applied Systems Analysis and elsewhere. At the Royal Swedish Academy of Agriculture and Forestry Lennart Schotte is responsible for the development of relations with Lithuania.
